Member of the Federation of British Historic Vehicle Clubs

Here we are well into the New Year and the invitations to events are pouring in and the calendar planning is well under way.

Some very frosty and foggy mornings so far but even in the fog you can have fun as we found on our Christmas Blues Run.

Good company and good food made up for the lack of view. I have selected the photo alongside as being the best view on the day.

Real *EFFORT* is needed to win this trophy

St. Georges Day Run

After much consideration we have decided that for this year, because we want to avoid two large entry events running in the same area, perhaps giving rise to complaints from the general public and also that several members would be involved in both this event and the Cirencester Car Club's Corinium run, that we will replace this year's event by a Spring Run on the 10th. May.

After Christmas Blues Run

A big ***Thank You*** to Bunny for once again organising, choosing the route and arranging the start and finish venues and refreshments.

Although the event was run in rather foggy conditions (Bunny assures me that it was not his fault) we all enjoyed the social interaction and the food which certainly helped to ease our *After Christmas Blues*.
