Classic vehicle Day at GWSR Railway

Twelve of our members' cars were on display at this interesting show at Toddington station.

As well as the usual chat with people who were interested in our cars, we were treated to a ride on this heritage railway down to Cheltenham Racecourse station and back.

A thoroughly enjoyable day and we have resolved to do it again next year.

Hunters Care Home Fete

Another excellent event - we had approx. 20 cars making for a great display

The care home made £900 from the day

Memorial cup

As usual we held our Memorial cup event in conjunction with the fete, to find the car that members would most like to drive home in.

This year's winner was

Jim Hudson

With his immaculate
Austin Healey 3000 Mk 3

Visit to the Imperial War Museum

A really excellent and informative visit organised by Bunny.

Well done to him, not only for the organisation, but also for the idea.

Most of us had not visited the museum for a long time and were impressed with the new and updated displays.

Not only did we 'oldies' immerse ourselves in our past but my 17 year old granddaughter really enjoyed the day and especially appreciated the section on the Holocaust which complemented a visit that she had made to Auschwitz concentration camp a few weeks earlier.

Chairman's Run Sunday August 9th.

Provisional itinerary:- Three Choirs Vineyard and Newent Birds of Prey Centre
