Sorry I haven't been about much lately - the medics got their hands on me. Still not driving so regrettably not able to swan off to East Anglia for a week with the "Away team". All good wishes to them as they go to the Land of the Windmills and drainage ditches. I was going to say dykes but I thought I might be misunderstood.

Never the less there are plenty of events left for the rest of us, so no excuses, get those classics out and enjoy the sun before it escapes and turns into our usual "Summer Weather"
Geoff.

Spring Run 10 May 2017

Our annual St George's Day Run this year clashed with another local car event which some FCCC members participated in. Rather than leave it for this year it was decided to organise a Spring Run instead.

Around 20 cars assembled at The Trout Inn Lechlade on a glorious Wednesday morning to have coffee and biscuits and pick up our route. Glancing at the route we were heading out of Gloucestershire into Oxfordshire, Berkshire and finishing up in Wiltshire.

At the stroke of 11.00 the first car left on our 47 mile drive (depending how accurate your odometer was). It was hoods off and breathe in the country air as we started our journey.

As we journeyed onwards mainly down country lanes the road signs and white rails in the fields indicated we were in horse racing training country. But not a horse to be seen.

A diversion off the country lane and we were in the area where St George was said to have fought and slain the dragon, the National Trust area being known as Dragon Hill and what some views at the top!

From here it was a straight forward journey to our lunch stop at the Cross Keys, Wanborough where we had an excellent lunch and then sunned ourselves on the terrace before driving home.

Thanks to Ken Hinton for an enjoyable route and organising superb weather.

Two sides of the Trout Inn at Lechlade

Worth trying - pass the Wheaties !!

Some Happy participants - noshing away as usual
