Well the events season has begun, commencing with an excellent St. George's Day run, starting & finishing at The Windmill, and this week will see the Croquet afternoon and cream tea.

Other invitations to car shows and Fetes are pouring in, so no excuse for not getting out there with your "classic".

I spent three days last week in Mid-Wales sorting out the details for our away week. I only hope the weather in June is as good as last week's was.

St. George,s Day Run

We don't mind
What size they come in

Little

.....or Large

Great to see the Jowett Jupiter,
so lovingly restored by Brian
Cole, out to play with it's new
owner Bjorn Richardson. To
whom we give a very warm
welcome

..... and no FCCC event would be
complete without a good "belt slack-
ening" nosh !!!!

especially as you were just recovering
from your op.
