An excellent evening's entertainment when Trevor Picken gave his illustrated talk in Meysey Hampton Village Hall about the history of the Hampton Car.

An interested audience of over 40 enjoyed the story of the ups and downs of the company and, courtesy of Nigel Godwin, the refreshments were worth going for alone.

### Sad news from over the pond

While Dave & Pam Barton were waiting in a queue a 'lady' driver tail-ended them and, although they escaped with bumps on their heads, as you can see from the photo their MGB was not so lucky.

Our condolences to Dave & Pam.
