Not a lot has happened since last month except for the Autumn Classic Meeting at Castle Combe, which I understand went very well after some early dampness.

Now although it is the "Close Season" let me draw your attention to the last Lunch Run of 2017 on the 15th., The Stan Dibben talk on the 30th. and the Christmas Lunch and the "After Christmas Blues Run" in December.

No excuse then and by the way, don't forget Christmas, as if the shops would let you.

Tetbury Classic Car Show 2017

Eight FCCC Members and their vehicles braved the rain and cold plus occasional wind to attend this year's show. We weathered it till 1.00pm. then down with the shelter and back home.

Overall the number of classic cars attending was greatly reduced from previous years which must have disappointed the organisers.

The English Weather strikes back !
Good job we have the conservatory otherwise we would still have a wet shelter.
Keith Handley

One car which braved the weather was this 1928 Fiat 520 Torpedo
Belonging to new members Steve and Bridget White

Even with our small number on the day we managed plenty of variety

Sudeley Castle Classic Car Show

Sorry we only have one photograph, that on Page 1, but Tricia Picking reports that there was a good turn out on Sunday 17th September on the lawns at Sudeley.

As shown on Page 1 the Competition for the "People's Choice of Favourite Car" was won by Ashley and Pam Holmes for their beautiful (and new to them) 1952 Bristol 401.
