Member of the Federation of British Historic Vehicle Clubs

Well, here we are in September and what a mixed up summer it has been with the weather. We have had some excellent events in brilliant sunshine (see two of our members enjoying the French visit) but, being British, even when the rains fell, and sometimes they really did, we made the best of it.

Now as the season comes to a close please support our end of year Lunch Runs, the visit to David Sainsbury's car collection, the Hampton Car talk and our Pudding Club visit.

JUNE LEWIS-JONES

It is with sadness that we have to report the recent death of June Lewis-Jones who, with her husband Ralph, was a long standing member and supporter of the FCCC. June was Faiford's historian and wrote over twenty books, many on the history of the Cotswolds and its inhabitants.

Whilst not joining us on many runs in their Morris Minor convertible, they regularly attended our Christmas dinners and anniversary events. Around 150 mourners attended her funeral at the beginning of this month with FCCC being represented by Barry & Ann and Malcolm & Jill.
