What a busy month we had in August including two new events on our calendar, the Plum Fair at Pershore and the Uffington Village Fête. Both proved worth visiting and will be added to next year's list. South Cerney was once again impressive - see the bus display alongside.

FCC Olympic Event

On Wednesday 7th 16 competitors took place in the annual FCCC Triathlon - comprising a navigational exercise of 28 miles from the Trout at Lechlade, a hasty run over some potholed roads and lanes to an Aunt Sally Pitch at the George & Dragon at Long Hanborough followed by a substantial evening meal.

Many times during the second stage there was a whiff of dissention as the judge's ruling was repeatedly called into question by Judy Dodman which meant that I was not able claim the first prize and had to take part in a knockout with Malcolm, Carol, Dave Martin & - you've guessed it Judy. The knock out went down to a playoff between myself and Dave where I sportingly threw a few wobbly sticks to ensure that there would not be any more dissention from the ranks!

So Dave won the bottle of wine, the second time he has won the Aunt Sally. Next time we will get Judy to be a little harsher when he is playing to let the rest of us have a chance.

Unfortunately when we came to leave Long Hanborough my Stag's differential packed up. Over 65k miles with the original - 5k with the replacement BMW unit!!  
Dave Chambers

Awaiting humiliation !

Dave the organiser reluctantly hands over the prize to Dave the winner

**Pershore Plum Fair**

We left Cirencester in warm sunshine but it wasn't long before we met fog at Birdlip then once Gloucester was in sight cloud cover and this lasted all the way to Pershore. However this did not deter 6 members attending this year's Pershore Plum Festival Classic Car Show on August Bank Holiday Monday. The cloud soon lifted and the sun shone on the 800 classic cars assembled in the Abbey Grounds. The selection of cars on display was outstanding. With the men going round admiring the cars it left the ladies of our club time to go into Pershore and see what the stalls had on offer both in town and on the field. We all had a great show and look forward to attending the 2020 show having established our shady place in the field.
